- Rugged synthetic stock with improved ergonomics
- RealTree Excape camo stock
- Button-rifled barrel
- OD Green Cerakote barreled action
- Thread-in barrel headspacing
- Detachable box magazine

Exclusively available at ZANDERS.

Redefine slug accuracy with the refreshed Savage 220. The bolt-action platform is built like a rifle with features including the user-adjustable AccuTrigger system and a button-rifled, 22-inch barrel. It offers an oversized bolt handle and a tough synthetic stock. The receiver is drilled and tapped with a one-piece rail for mounting the scope of your choice, and they now

feature the new AccuStock with AccuFit technology.
